

Your Dog at Croftness...

Well behaved dogs are welcome to join you on your holiday at Croftness. You will find a supply of useful doggy bits and pieces for you to use during your time with us. This is located under the sink in the kitchen.

- Doggy towel
- Water and food bowls
- Poo bags

Please read through these rules to help us look after our properties and the other animals in the area:

- Please keep dogs off any furniture and out of bedrooms.
- Do not leave dogs unattended in the property.
- Please keep dogs on a lead while on the farm. This is very important. We have sheep with their lambs during spring and summer and have horses and free range chickens all year round. We want our animals and yours to be safe at all times.
- We cannot guarantee that our gardens are completely secure so please keep a close eye on your dog while outside and keep on a lead if necessary.
- Please pick up any dog mess and dispose of it appropriately.
- Please make sure you are aware of the Scottish Outdoor Access Code when taking your dog into the country side. This can be viewed online at www.outdooraccess-scotland.com
